Disclaimer

This course and manual were prepared as an account of experience and research by FSE. Neither FSE nor any employees make any warranty, express or implied, or assumes any legal liability for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed or represents that its use would not infringe privately owned rights. Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by FSE. The views and opinions of the course instructors expressed both by documentation or presentation shall not be used for advertising or product endorsement purposes. The forms, plans, and programs provided in the course are not intended and are not a substitute for legal advice or documentation. Laws vary from time to time and from state to state. The training and documents should only be a starting point for you and should not be used without consulting with an attorney first. Before using these documents, you should have an attorney review them to make sure it fits your situation. You should also consult an attorney whenever a document is negotiated with another party.

Non-Compete

As stated, this course and manual were prepared as an account of experience and research by FSE. FSE makes this information available to class participants for training and evaluation purposes only. The course attendees shall be obligated to maintain this information in confidence and will not publish copy, disseminate, or utilize these materials for the purpose of training, outside of their own company, pursuant to this Agreement. It shall also be a condition of this Agreement that no person or company will compete in training specific to the clean lab industry. Each party shall notify its employees, directors, officers, agents, affiliates, and representatives (including without limit financial advisors, attorneys, and accountants) to whom the information is disclosed of the obligations under this Agreement and provide such information only to those persons with a need to know. The course attendees shall use the utmost of care to avoid disclosure of the information using standards at least as stringent as those as it employs with respect to its own confidential and proprietary information. Course attendance does not authorize the use of FSE trademarks. Unauthorized use of our marks will result in legal action.

Refund Policy

Full refunds will be made when written notice of cancellation is received at least two weeks prior to the class. Cancellations made less than fourteen (14) days will be charged an administrative fee of $200. Failure to attend or substitute another student will result in forfeiture of the full tuition. FSE reserves the right to cancel any class due to insufficient enrollment, in which case a full refund of enrollment fees only will be issued.

By signing this Agreement, you hereby authorize Fresh-Start Environmental to charge your account for course attendance and acknowledge that you have read and fully understand this Agreement.
